More Than a Field of Dreams ...

West Tennessee Healthcare Sportsplex is unique among youth sport complexes in the United States. **"17 Fields. 1 Goal. The Best Travel Ball Experience"** – is not just a slogan to us. It is our motivation for each tournament we schedule.

Honored by the Tennessee Turfgrass Association, we have 17 lighted and immaculately groomed baseball fields sitting on 70 acres, just off I-40, one of the nation's most traveled interstates. It's the perfect location for teams from any region, as groups representing 13 states have played here.

And, in 2019 for the first time ever, the Sportsplex will be hosting a USSSA Super NIT, with Elite 32 World Series berths going to the 13s and 14s champions!

A full slate of tournament events is scheduled for the 2019 Sportsplex season, including the West TN State Tournament. All baseball events are USSSA-sanctioned tournaments, except for the Mid-South Middle School Tournament in March.

Our facility has also been an area leader in charitable donations, contributing literally thousands of dollars to Ayers Children's Medical Center, The V Foundation for Cancer Research, the Regional Inter-Faith Association (RIFA) food bank, the Middle Tennessee State University Center for Veterans Services, local colleges and high schools, and other groups.

Sportsplex Retail Neighbors

The home of the Jackson Generals, the Double-A professional minor league baseball team for the Arizona Diamondbacks, is next door to the Sportsplex. Our staff works closely with the Generals to offer terrific game packages for visiting teams and their families, including free tickets for players and coaches.

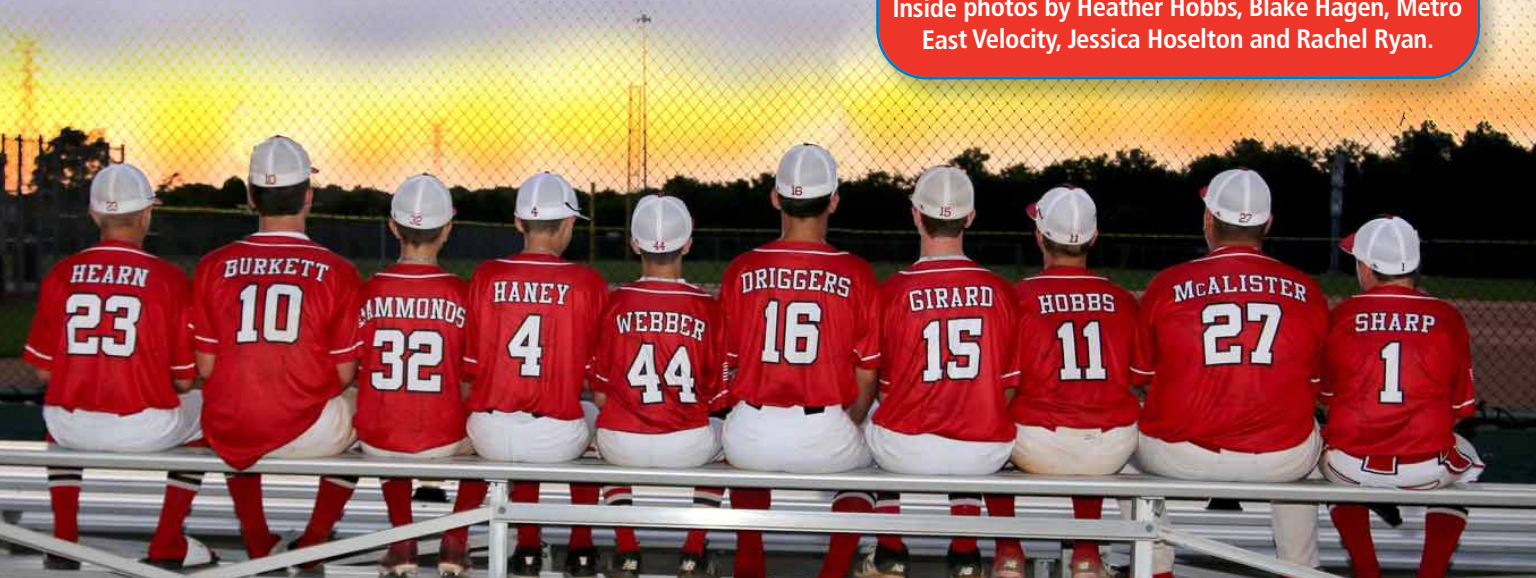

Many eating sites and hotels – including two Marriott properties, Holiday Inn Express, Hampton Inn, Fairfield Inn and Hilton Garden Inn – are within walking distance or a quick drive from the Sportsplex. You don't even have to leave our campus to eat, though. We have five full-service concession stands with the best ballpark food and prices you'll find.

We encourage your team to spend several weekends playing ball in Jackson, Tennessee. We know you can't find better fields. Give us a chance to also show you better service.

Register your team online at www.jacksonsportsplex.com.

Our Naming Rights Partner

West Tennessee Healthcare entered into this venture with the Sportsplex as the area's foremost advocate for wellness and fitness. The Sportsplex has been a key point of its focus on helping young people and adults remain healthy. West Tennessee Healthcare is a public, not-for-profit health care system with more than 7,000 employees who serve a population of 500,000 in West Tennessee. Its full continuum of care includes:

- ◆ Seven hospitals
- ◆ Two medical centers
- ◆ Outpatient surgical facility
- ◆ Home healthcare agency
- ◆ Mental and behavioral health
- ◆ Medical laboratory services
- ◆ Medical products
- ◆ Primary care and specialty clinics
- ◆ Outpatient infusion services, rehab facilities and imaging
- ◆ Early child development intervention services
- ◆ Community support and education

A Board of Trustees appointed by the City of Jackson and Madison County is charged with the oversight of West Tennessee Healthcare. The system is completely self-supporting and does not operate on local tax revenues.

Baseball highlights:

- ◆ **Our "Best Customers" Discount:** Every team that plays in five events here (including Fall 2019 tournaments) receives a \$40 discount on entries to all additional 2019 spring/summer events at the Sportsplex, except for state tournament and special championship events.
- ◆ **Our "Earliest Entries" Discount:** The first four teams that enter any age bracket of any tournament get a \$20 discount on the entry fee (except for state tournament and postseason events).
- ◆ **Specialized Tournaments:** We offer baseball events that are Global World Series qualifiers, as well as those geared to each classification of USSSA teams, making our best efforts to even the competition. In all of our events, we will keep classifications separated if the number of entries allows us to do it mathematically while making the best use of our fields.
