# THE BEST TRAVEL BALL EXPERIENCE

## OUR PARTNER: WEST TENNESSEE HEALTHCARE

**W**est Tennessee Healthcare entered into this venture with the Sportsplex as the area's foremost advocate for wellness and fitness. The Sportsplex has been a key point of its focus on helping young people and adults remain healthy. West Tennessee Healthcare is a public, not-for-profit health care system with more than 7,000 employees who serve a population of 500,000 in West Tennessee. Its full continuum of care includes:

- ▶ Seven Hospitals
- ▶ Two Medical Centers
- ▶ Outpatient Surgical Facility
- ▶ Home Healthcare Agency
- ▶ Mental and Behavioral Health
- ▶ Medical Laboratory Services
- ▶ Medical Products
- ▶ Primary Care and Specialty Clinics
- ▶ Outpatient Infusion Services, Rehab Facilities and Imaging
- ▶ Early Child Development Intervention Services
- ▶ Community support and education

A Board of Trustees appointed by the City of Jackson and Madison County is charged with the oversight of West Tennessee Healthcare. The system is completely self-supporting and does not operate on local tax revenues.

# MORE THAN A FIELD OF DREAMS

**T**he West Tennessee Healthcare Sportsplex is unique among youth sport complexes in the United States. **"17 Fields. 1 Goal: The Best Travel Ball Experience"** is not just a slogan to us – it is our motivation for each tournament we schedule.

We have 17 lighted and immaculately groomed baseball/softball fields sitting on 70 acres, just off Interstate 40. It's the perfect location for teams from any region, as groups representing 13 different states have played with us.

A full slate of tournament events is scheduled for the 2020 Sportsplex season, including the USSSA West TN State Tournament. The Sportsplex will also be hosting a USSSA Super NIT, with Elite 32 World Series berths going to the 13s and 14s champions. All baseball events are USSSA-sanctioned tournaments, except for the Mid-South Middle School Tournament in March and the Babe Ruth Southeast Regionals in July.

Softball tournaments will be returning to the Sportsplex, with 12 planned events including the Sarah Beth Whitehead High School Memorial Tournament March 12-14. FASA will sanction nine tournaments throughout the season.

## SPORTSPLEX RETAIL NEIGHBORS

The home of the Jackson Generals, the Double-A professional minor league baseball team for the Arizona Diamondbacks, is next door to the Sportsplex. Our staff works closely with the Generals to offer free tickets for players and coaches of participating teams each weekend.

Surrounding the Sportsplex is one of Jackson's fastest area of retail growth. Numerous eating establishments are within walking distance or a quick drive. But you don't even have to leave our campus to eat – we have four full-service concession stands with the best ballpark food and prices you'll find. Several hotels, including three Marriott properties, two Hilton locations, and a Holiday Inn Express, are within a 5-to-7-minute drive.

We encourage your team to spend several weekends playing in Jackson, Tennessee. We know you can't find better fields. Give us a chance to also show you better service.

GOAL

## HIGHLIGHTS:

### OUR "EARLIEST ENTRIES" DISCOUNT

The first four teams that enter any age group of any baseball tournament get a \$10 discount on the entry fee (excluding the state tournament and designated special events).

### ORGANIZATIONAL FREQUENCY BASEBALL DISCOUNT

For organizations with multiple teams at different age levels, the organization will receive a free tournament entry for every nine paid registrations by its teams (i.e., an organization's 10th registration fee will be waived). It will be up to the organization to decide which of its teams will receive the free entry each time a 10th registration has been made. The Sportsplex will make an online adjustment for the designated team. This offer does not include the USSSA Super NIT nor the USSSA West Tennessee State Tournament.

### SPECIALIZED TOURNAMENTS

We offer baseball events that are Global World Series qualifiers, as well as those geared to each classification of USSSA teams, making our best efforts to even the competition. In all of our events, we will keep classifications separated if the number of entries allows us to do it mathematically while making the best use of our fields.
